

Intern @ Doodle®

doodle.com is the number 1 consensus-scheduling service, used by over ten million users worldwide. The service is provided by Doodle AG, a Swiss company based in Zurich, Switzerland, one of [the world's most livable cities](#)¹.

We are looking for interaction-design and visual-design interns to join our product-management team for 6plus-month internships.

We offer

- ample opportunity to learn about and gain experience in [state-of-the-art technologies](#)² as well as agile processes (in particular Scrum)
- challenging design problems
- an attractive work place in the center of Zurich
- an internship salary

We expect

- a field of study with a major in design or a closely related field
- strong design skills
- fluency in English or German

Experience in designing Web applications would be a plus.

Apply

Please apply by sending your resume to work@doodle.com.

Doodle AG, Werdstrasse 21, 8021 Zurich, Switzerland
